

Facilities and Staff:

We provide a Christian educational experience designed to help each child grow spiritually, intellectually, socially, cognitively, emotionally and physically.

We honor the trust you have placed in us and offer Our Father's House as an extension of your home. As in any family, we are here to work with you to raise healthy, happy, and confident children that know that they are loved, valued and enjoyed.

Our goal is to create a Christian environment that is centered on the love of Jesus and in the belief that we should all love one another. We do this by frequent communication, age appropriate Bible stories, songs, prayer time, missions outreach and our daily interaction with the children. It is our greatest priority that the children feel safe, accepted, nurtured and know that God loves them.

All children are welcome regardless of your religious affiliations. However, we do not offer special education programs.

Philosophy and Mission

Our Father's House, an outreach of the Pitman United Methodist Church, believes that children learn through play. Your child will discover the joy of learning, building friendships, and preparing for kindergarten with organized activities and age - appropriate instruction.

Our state of the art facility meets the New Jersey state requirements. All our experienced teachers and aides are deemed highly qualified by the state as well. However, **our greatest strength lies in our dependence on Christ and His teachings.**
